

*In Recognition of Your Achievement for
Meeting the National Professional Qualification Standards*

To: All certified U. S. Department of Defense personnel.

Congratulations! Your certification is an important personal achievement and a well-deserved recognition of the efforts that you have made toward advancing your professional capabilities.

Because your certification was awarded through the DoD Fire and Emergency Services Certification Program, which is accredited by the National Board on Fire Service Professional Qualifications, your achievement is especially significant. Accreditation is only granted to agencies and organizations that meet and maintain specific criteria intended to ensure high quality and uniform standards in the certification process.

You can access your certification records that have been registered on the Pro Board's Certification Registry look-up site at...

<http://certificationsearch.theproboard.org/>.

To get a certificate showing your DoD certification, simply complete the information on the application and forward the fully completed form to the address below with a check or credit card information for each certificate desired. Multiple applications submitted together can be paid with a single check or money order.
